PROFESSIONAL EXPERIENCE

TechnoML

01/2025 – 02/2025

full stack development

- Worked on diverse projects using technologies like React.js, Node.js, Express.js, and MongoDB to build and deploy scalable web applications.
- Built robust server-side logic and RESTful APIs to handle complex business logic, data management, and seamless client-server communication.
- Designed and implemented responsive, mobile-friendly interfaces with technologies like Tailwind CSS, ensuring seamless cross-device usability.
- Gained hands-on experience in the complete development lifecycle — from requirement gathering and coding to deployment and maintenance of live applications

EDUCATION

Bachelor of Computer Applications (BCA)

07/2023 – 2026

Makhanlal Chaturvedi National University Of Journalism
And Communication

PROJECTS

AI Code-Reviewer :

- Developed a full-stack **MERN application** integrating **Google's Gemini AI** to analyze code quality, detect security vulnerabilities, and provide real-time improvement suggestions.
- Designed a **dark-themed, responsive interface** with **live code highlighting** and **markdown rendering** for an enhanced developer experience.

Social Media Website:

- Developed a fully hosted backend application using **Node.js, Express.js, and EJS**, supporting **user authentication, post creation**, and interactive features.
- Built responsive, server-side rendered pages with **EJS templates**, ensuring fast loading times and seamless navigation for users.

College Notes Website:

- Built a fully hosted web application to provide students with organized and accessible study notes, enhancing learning efficiency.
- Developed a responsive backend using Node.js, Express.js, and EJS templates for dynamic content rendering and a smooth user experience

Interactive Quiz Platform:

Built a responsive quiz website with **React.js, Vite, and Tailwind CSS**, featuring **timers, progress tracking, a leaderboard**, and **IndexedDB** for local data storage.

SKILL

- **Frontend Development:** HTML, CSS, JavaScript, React.js, Vite, Tailwind CSS, Bootstrap
- **Backend & Databases:** Node.js, Express.js, PHP, MongoDB, MySQL, IndexedDB
- **Animation & Interactivity:** GSAP, Locomotive.js, EJS
- **Tools & Deployment:** Git, GitHub, Vercel, Netlify, Cursor AI
- **Full-Stack & Design:** MERN Stack, REST APIs, responsive and mobile-first design
- **Soft Skills:** Problem-solving, teamwork, adaptability, time management, continuous learning
